

LES TROIS 2016

## AOC MÉDOC

Medoc is one of the key appellations in the left bank of Bordeaux. Because of its alluvial soil composition of mainly sand, clay, and gravel, it's known for its unique terrain on the left bank. Facing due south, it enjoys an outstanding exposure to the sun, which provides ideal conditions for the ripening of the grapes. Medoc wines are delicate, delivering fruit scents and notes of cassis, blackberry, dark cherry, vanilla, coffee bean, spice and licorice. These wines are often tannic when young, becoming harmonious and splendid when matured.
