

LES TROIS 2022

BORDEAU BLANC

Bordeaux Blanc benefits from a cool climate and diverse soils, including clay, gravel, and limestone. The excellent drainage of these soils creates a unique natural environment for grapes, allowing the production of high-quality dry white wines. Through meticulous blending, this wine is endowed with exceptional taste and aromatic structure, showcasing its utmost value. The vibrancy and fresh notes of ripe fruits achieve a perfect balance in this wine.

BLEND : 50% Sauvignon Blanc, 50% Semillon

SOIL : Clay, Limestone, Gravel

AGING : Aging on lees for 1 month

ALCOHOL CONTENT : 13.0 % vol.

TASTING NOTES

Fresh - The intoxicating aroma carries a hint of tropical fruit elegance. On the palate, the invigorating acidity dances like zesty citrus peel, intertwined with the fragrant notes of white flowers and a touch of minerals, delivering boundless allure.
